SCHOOL FUNDRAISERS THAT ACTUALLY RAISE MONEY

Tin Lizzy Concessions

Mini Donut Treat Days and School Carnivals by Tin Lizzy Concessions — serving Metro Vancouver, the Lower Mainland and the Fraser Valley.

MINI DONUT TREAT DAY

Fresh mini donuts made on site at your school — 10 donuts in every bag.

How your school earns: Presale bags are $7 or $8 each (your PAC picks the price). The school cost is $5.00 per bag, so the school keeps $2.00 per bag at $7 or $3.00 per bag at $8. Bags sold at the truck on the day are $8.00, and the school keeps $3.00 from each of those too. No minimum order. No up-front deposit.

Example: 300 presale bags at $8 = $900 kept before the truck opens. Add 80 bags sold right at the end of school (Parents picking up kids) and the school raises $1,140 in one day.

How the day runs: We arrive 1.5 to 2 hours early. The truck needs a flat, visible parking spot about 31 feet long. Send approximate presale numbers 2 days before — it is a planning number, not a cut-off, and we always bring extra.

Distribution methods:

1. **Classroom delivery**— donuts packed by division into totes and delivered to classrooms. The fastest method, no labels needed.
2. **Pickup table**— staffed by the school.
3. **Tickets or vouchers**— the slowest method, recommended least.

Ingredients and allergens:

Our mini donut mix contains wheat, milk, soy, egg and barley. The donuts are vegetarian and peanut free, and the mix is OU Kosher Dairy. Donuts are fried in non-trans-fat canola shortening. They are not gluten-free or dairy-free.

SCHOOL CARNIVALS —
WE BRING THE FOOD MIDWAY

We Bring 2 to 5 food trucks matched to your crowd size, with full kids and adult menus : Mini Donuts, Burgers, Hot Dogs, Fries, Poutine, Chicken Strips, Bubble Tea, Lemonade, Shaved Ice, and Tornado Potato.

How your school earns: Your school receives 10% of total event food sales back. No booking fees. No minimum sales. No guarantee. No presales to manage. Example: $6,000 in food sales = $600 back to your school.

How it works: We coordinate the full food lineup — which trucks attend and what they serve — so menus never duplicate and lines move fast. Your school is welcome to sell its own items too; just let us know in advance so we plan around them. Our trucks are fully self-contained and we are licensed and insured.

Which fits your school? Treat Day: during school hours, students only, earnings from presales. Carnival: evenings or weekends, whole families, earnings from event food sales. Many schools do both.

About us: Tin Lizzy Concessions has served fairs and schools since 1995 and is the main mini donut vendor at the Calgary Stampede, Edmonton K-Days, the Regina Exhibition and the PNE.
